GENESIS LEGACY SOLUTIONS, LLC

We are a specialist acquirer of legacy liabilities with a focus on small to middle market reserve portfolios that enable our clients to meet their capital and risk management objectives. Genesis provides restructuring and exit solutions, including reinsurance transactions and acquisition of entities, for insurance companies, captives, RRGs and self-insurers.

WHAT IS YOUR **BIGGEST** WORRY?

Adverse development on claims? Capital maximization? Protecting your reputation?

Operational efficiency? Stabilization of earnings? Collateral relief? **Or all of the above?**

TAILORED FINALITY SOLUTIONS TO SUIT YOU

Our innovative solutions are tailored to provide risk-transfer structures that will maximize a client's capital management strategy and remove the distractions associated with managing legacy liabilities. We partner closely with all stakeholders for a seamless portfolio transfer enabling our clients to move their business forward by reallocating resources and capital to meet strategic initiatives.

Genesis is part of Maiden Holdings, Ltd. (NASDAQ: MHLD), a Bermuda-based holding company formed in 2007, and has a management team with a proven track record in the run-off sector and worldwide resources.

SERVICES WE PROVIDE

Acquisition of Insurance Entities

We structure acquisitions to create value for sellers of entities in run-off to ensure finality, balance sheet optimization, regulatory compliance and payment of future claims.

Outsource Management

We partner with you on reducing costs, improving claims payment processes, collecting reinsurance and commuting assumed/ceded business, ensuring a faster, efficient run-off.

Exit Solutions

We execute Loss Portfolio Transfers, Adverse Development Covers, Deductible Reimbursement Policies and Novations to help solve collateral, fronting company and regulatory issues.

Other Services

Genesis can provide claims audits, review of workflow processes, regulatory run-off plans, GAAP, Statutory and reinsurance accounting support as well as captive management services.
